DEXTER CATTLE
Competition and Exhibition of the Dexter cattle Breed
INTRODUCTION

We last had beef and dairy cattle shown at Egham in 1997, due to the absence of a show in 1998 whilst we re-financed and moved site re-opening in Caddey's Field in 1999 alas without cattle. Over 11 years we have had a small number of cattle exhibited thanks to the help of our good friend from Chertsey Show; Michael Whitty. It was with delight and excitement we announced the running of cattle classes for the first time since 1997 at Egham in 2011 for the Dexter breed to get us on our way. It is hoped this is the starting point of great things to come.
