SHEEP
Competition and Exhibition of Rare and Minority Breeds
INTRODUCTION

In 1989 we successfully introduced sheep to the Show as an exhibition. At the following Shows we expanded by holding competitive classes, which have proved very successful. Financial difficulties = no show in 1998 but were back in 1999 until in 2001 & 2007 F & M stopped the show, but we were back with free entry to celebrate our 150th year in 2008.

Secure covered pens, fresh water will be provided along with the Show's veterinary surgeon should they be required. Free entry to the show ground is guaranteed to exhibitors and competitors. Please note that hay & straw will not be provided, so please remember to bring some if required for food or bedding for your animals. In conjunction with the competitive classes we will be holding an exhibition of pigs and sheep. Exhibitors will be most welcome over the two days of the Show.
